A TASTING FLIGHT OF OUR FOUR SIGNATURE DESSERTS. BECAUSE CHOOSING JUST ONE NEVER RAN IN OUR FAMILY

When Roberto Ravaioli arrived in America in 1909, he earned his first silver dollar in the coal mines and kept it as a symbol of perseverance. Passed down through three generations on a keychain, its emblem appears throughout Carletti's.

Dolores Ravaioli's mint recipe is cast from a mold shaped like her grandfather's coin and shared as a small token of gratitude from our family to yours.
